Application No. 10/758,115

Continuation of 4(e) Other:

Claim 5, line 11, indicates "comparison routine means" as deleted text. However, the word "means" did not previously appear in the claim. It is unclear if this is simply a typo or if the word "means" is instead intended to be newly added text. The claim can not be properly treated until this is clarified by Applicant.
